

Project Selection Tools by Dorji Penjore (work under progress)

5. Community Vitality

Indicators

05. Community Vitality	1
1. Inter-village co-operation	2
2. Intra-village co-operation	2
3. Volunteerism	2
4. Sharing and giving.....	2
5. Donation	2
6. Safety (crime)	3
7. Physical safety	3
8. Local employment	3
9. Migration	3
10. Trust.....	3
11. Social cohesion	3
12. Family relations	4
13. Community problem1: crop depredation.....	4
14. Community problem2: livestock depredation	4
15. Community problem3: Lack of jobs.....	4
16. Community problem4: Poor communication facilities	4
17. Community problem5: Poor housing	5
18. Community problem6: motor road access.....	5
19. Community problem7: Danger of forest fire.....	5
20. Community problem8: Inadequate electricity supply	5
21. Community problem9: Poor recreation facilities	5
22. Community problem10: Poor education facilities.....	5
23. Community problem11: Lack of clean water	6
24. Community problem12: Crime in the community	6
25. Community problem13: Alcohol.....	6
26. Community problem14: Inadequate health services	6
27. Community problem15: Poor garbage disposal	6
28. Woola.....	6
29. Divorce	7
30. Depression	7

Project Selection Tools by Dorji Penjore (work under progress)

1. Inter-village co-operation			
Will lead to competition among village members	Not sure whether it will lead to competition or cooperation among village members	Will not lead to competition among village members	Will strengthen cooperation among village members
1	2	3	4

2. Intra-village co-operation			
Will decrease intra-village cooperation	Not sure whether it will increase or decrease intra- village cooperation	Will not decrease intra- village cooperation	Will strengthen intra-village cooperation
1	2	3	4

3. Volunteerism			
Will not promote volunteerism (in terms of free labour)	Not sure if it will promote volunteerism (in terms of free labour)	Will have no adverse impact on volunteerism (in terms of free labour)	Will encourage volunteerism (in terms of free labour)
1	2	3	4

4. Sharing and giving			
Will discourage values of sharing and giving (<i>jimba</i>)	Not sure if it will discourage values of sharing and giving (<i>jimba</i>)	Will have no adverse impact on values of sharing and giving (<i>jimba</i>)	Will promote values of sharing and giving (<i>jimba</i>)
1	2	3	4

5. Donation			
Will discourage in-kind and cash donation	Not sure if it will discourage in-kind and cash donation	Will not discourage in-kind and cash donation	Will promote in-kind and cash donation
1	2	3	4

Project Selection Tools by Dorji Penjore (work under progress)

6. Safety (crime)			
Will not increase personal and collective safety	Unsure if it will enhance personal and collective safety	Will not deteriorate personal and collective safety	Will increase personal and collective safety
1	2	3	4

7. Physical safety			
Will decrease physical safety	Not sure whether it will increase or decrease physical safety	Will not decrease physical safety	Will increase physical safety
1	2	3	4

8. Local employment			
Will lead to unemployment of local people	Not sure if it will led to local unemployment	Will not lead to unemployment of local people	Will provide employment to local population
1	2	3	4

9. Migration			
Will increase rural-urban migration	Not sure if it will increase rural-urban migration	Will not increase rural-urban migration	Will reduce urban drift
1	2	3	4

10. Trust			
Will weaken trust among villagers	Not sure if it will weaken trust among villagers	Will not weaken trust among villagers	Will increase trust among villagers
1	2	3	4

11. Social cohesion			
Will weaken social cohesion among villagers	Not sure if it will weaken social cohesion among villagers	Will not weaken social cohesion among villagers	Will strengthen social cohesion among villagers

Project Selection Tools by Dorji Penjore (work under progress)

1	2	3	4
---	---	---	---

12. Family relations			
Will lead to breakdown of family relation	Not sure whether it will strengthen or weaken family relation	Will not weaken family relation	Will strengthen family relation
1	2	3	4

13. Community problem1: crop depredation			
Will increase crop depredation by wild animals	Not sure if it will increase crop depredation by wild animals	Will not increase crop depredation by wild animals	Will decrease crop depredation by wild animals
1	2	3	4

14. Community problem2: livestock depredation			
Will increase livestock depredation by wild animals	Not sure if it will increase livestock depredation by wild animals	Will not increase livestock depredation by wild animals	Will decrease livestock depredation by wild animals
1	2	3	4

15. Community problem3: Lack of jobs			
Will result in increased unemployment	Not sure if it will result in increased unemployment	Will not result in increased unemployment	Will result in increased employment
1	2	3	4

16. Community problem4: Poor communication facilities			
Will increase problem of poor communication facilities	Not sure if it will increase problem of poor communication facilities	Will not increase problem of poor communication facilities	Will decrease problem of poor communication facilities
1	2	3	4

Project Selection Tools by Dorji Penjore (work under progress)

17. Community problem5: Poor housing			
Will result in a poor housing	Not sure if it will result in a poor housing	Will not result in a poor housing	Will improve housing
1	2	3	4

18. Community problem6: motor road access			
Will worsen access to motor road	Not sure if it will worsen access to motor road	Will not worsen access to motor road	Will improve access to motor road
1	2	3	4

19. Community problem7: Danger of forest fire			
Will increase risk of forest fire	Not sure if it will increase risk of forest fire	Will not increase risk of forest fire	Will decrease risk of forest fire
1	2	3	4

20. Community problem8: Inadequate electricity supply			
Will worsen supply of electricity	Not sure if it will worsen supply of electricity	Will not worsen supply of electricity	Will improve supply of electricity
1	2	3	4

21. Community problem9: Poor recreation facilities			
Will result in destruction of recreation facilities	Not sure if it will result in destruction of recreation facilities	It will not result in destruction of recreation facilities	It will result in improvement of recreation facilities
1	2	3	4

22. Community problem10: Poor education facilities			
Will reduce education facilities	Not sure if it will reduce education facilities	Will not reduce education facilities	Will improve education facilities
1	2	3	4

Project Selection Tools by Dorji Penjore (work under progress)

23. Community problem11: Lack of clean water			
Will worsen supply of clean water	Not sure if it will worsen supply of clean water	Will not worsen supply of clean water	Will improve supply of clean water
1	2	3	4

24. Community problem12: Crime in the community			
Will increase crime in the community	Not sure if it will increase crime in the community	Will not increase crime in the community	Will decrease crime in the community
1	2	3	4

25. Community problem13: Alcohol			
Will increase alcoholism	Not sure if it will increase alcoholism	Will not increase alcoholism	Will decrease alcoholism
1	2	3	4

26. Community problem14: Inadequate health services			
Will worsen the problem of inadequate health services	Not sure if it will worsen the problem of inadequate health services	Will not worsen the problem of inadequate health services	Will improve the problem of inadequate health services
1	2	3	4

27. Community problem15: Poor garbage disposal			
Will increase problem of garbage disposal	Not sure if it will increase problem of garbage disposal	Will not increase problem of garbage disposal	Will decrease problem of garbage disposal
1	2	3	4

28. Woola			
Will require <i>woola</i> contribution from community	Not sure of it will require <i>woola</i> contribution from community	Will not require <i>woola</i> contribution from community	Will contribute labour to community

Project Selection Tools by Dorji Penjore (work under progress)

1	2	3	4
----------	----------	----------	----------

29. Divorce			
Will increase divorce that leads to low emotional wellbeing	Not sure if it will increase divorce that leads to low emotional wellbeing	Will not increase divorce that leads to low emotional well-being	Will prevent divorce
1	2	3	4

30. Depression			
Will increase incidences of depression among community members	Not sure if it will increase incidences of depression among community members	Will not increase incidences of depression among community members	Will decrease incidences of depression among community members
1	2	3	4
