

Project Selection Tools by Dorji Penjore (work under progress)

15. Public transport and road safety

Indicators

15.	Public transport and road safety	1
1.	Public transport.....	2
2.	Alternative urban public transport.....	2
3.	Safety of public transport system	2
4.	Automobile use.....	2
5.	Walking to work and office	2
6.	Parking space.....	3
7.	Road condition.....	3
8.	Vehicle condition.....	3
9.	Public transport information.....	3
10.	Taxi service.....	3
11.	Transport fare	3
12.	Comfort.....	4
13.	Auto-workshops.....	4
14.	Fuel stations.....	4
15.	Frequency of service.....	4
16.	Road safety law enforcement	4
17.	ICT-ization of transport information	5
18.	Increase travel routes	5
19.	Vehicle cleanliness	5
20.	Bus stop points.....	5
21.	Travel insurance	5
22.	Passengers service	6

Project Selection Tools by Dorji Penjore (work under progress)

1. Public transport			
Will result in discontinuation of a reliable public transport system	Not sure if it will result in discontinuation of a reliable public transport system	Will not result in discontinuation of a reliable public transport system	Will result in introduction of a reliable public transport system
1	2	3	4

2. Alternative urban public transport			
Will risk introduction of a mass public transport as an alternative to individual cars	Not sure if it will risk introduction of a mass public transport as an alternative to individual cars	Will not risk introduction of a mass public transport as an alternative to individual cars	Will result in introduction of a mass public transport as an alternative to individual cars
1	2	3	4

3. Safety of public transport system			
Will deteriorate public transport safety	Not sure if it will improve public transport safety	Will not have any affect on public transport safety	Will improve safety of public transport system
1	2	3	4

4. Automobile use			
Will increase use of individual cars	Not sure if it will increase use of individual cars	Will not increase use of individual cars	Will decrease use of individual cars
1	2	3	4

5. Walking to work and office			
Will discourage walking to work and shops	Not sure if it will discourage walking to work and shops	Will not discourage walking to work and shops	Will promote walking to work and shops
1	2	3	4

Project Selection Tools by Dorji Penjore (work under progress)

6. Parking space			
Will reduce public parking spaces	Not sure if it will reduce public parking space	Will improve public parking space	Will increase public parking space
1	2	3	4

7. Road condition			
Will deteriorate conditions of road	Not sure if it will deteriorate conditions of road	Will not deteriorate conditions of road	Will improve conditions of road
1	2	3	4

8. Vehicle condition			
Will deteriorate system that will monitor vehicle conditions	Not sure if it will deteriorate system that will monitor vehicle conditions	Will not deteriorate system that will monitor vehicle conditions	Will improve system that will monitor vehicle conditions
1	2	3	4

9. Public transport information			
Will limit information on public transport	Not sure if it will limit information on public transport	Will not limit information on public transport	Will improve information on public transport
1	2	3	4

10. Taxi service			
Will restrict taxi service	Not sure if it will restrict taxi service	Will not restrict taxi service	Will improve taxi service
1	2	3	4

11. Transport fare			
Will increase public transport fare	Not sure if it will increase public transport fare	Will not increase public transport fare	Will decrease public transport fare

Project Selection Tools by Dorji Penjore (work under progress)

1	2	3	4
---	---	---	---

12. Comfort			
Will worsen comfort in the public transport	Not sure if it will worsen comfort in the public transport	Will not worsen comfort in the public transport	Will improve comfort in the public transport
1	2	3	4

13. Auto-workshops			
Will decrease number of auto-workshops, especially along national highways	Not sure if it will decrease number of auto-workshops, especially along national highways	Will not decrease number of auto-workshops, especially along national highways	Will increase number of auto-workshops, especially along national highways
1	2	3	4

14. Fuel stations			
Will result in increased number of fuel station, especially along national highways	Not sure if it will result in increased number of fuel station, especially along national highways	Will not result in increased number of fuel station, especially along national highways	Will result in decreased number of fuel station, especially along national highways
1	2	3	4

15. Frequency of service			
Will decrease frequency of transport services between destinations	Not sure if it will decrease frequency of transport services between places	Will not decrease frequency of transport services between places	Will increase frequency of transport services between places
1	2	3	4

16. Road safety law enforcement			
Will lead to a	Not sure if it will	Will not lead to a	Will lead to

Project Selection Tools by Dorji Penjore (work under progress)

relaxed enforcement of road safety law enforcement	lead to a relaxed enforcement of road safety law enforcement	relaxed enforcement of road safety law enforcement	increased enforcement of road safety law enforcement
1	2	3	4

17. ICT-ization of transport information

Will result in a decreased ICT-ization of travel information	Not sure if it will result in a decreased ICT-ization of travel information	Will not result in a decreased ICT-ization of travel information	Will result in an increased ICT-ization of travel information
1	2	3	4

18. Increase travel routes

Will reduce number of travel routes	Not sure if it will reduce number of travel routes	Will not reduce number of travel routes	Will increase number of travel routes
1	2	3	4

19. Vehicle cleanliness

Will deteriorate cleanliness of vehicles	Not sure if it will deteriorate cleanliness of vehicles	Will not deteriorate cleanliness of vehicles	Will improve cleanliness of vehicles
1	2	3	4

20. Bus stop points

Will reduce number of bus-stop points	Not sure if it will reduce number of bus-stop points	Will not reduce number of bus-stop points	Will increase number of bus-stop points
1	2	3	4

21. Travel insurance

Will discontinue	Not sure if it will	Will not	Will initiate a travel
------------------	---------------------	----------	------------------------

Project Selection Tools by Dorji Penjore (work under progress)

travel insurance	discontinue travel insurance	discontinue travel insurance	insurance
1	2	3	4

22. Passengers service			
Will reduce travellers' services and facilities such as affordable hotels, telephones etc. especially at destinations	Not sure if it will reduce travellers' services and facilities such as affordable hotels, telephones etc. especially at destinations	Will not reduce travellers' services and facilities such as affordable hotels, telephones etc. especially at destinations	Will increase travellers' services and facilities such as affordable hotels, telephones etc. especially at destinations
1	2	3	4
